

In this essay I am writing about that school should be extended for five year. I think that school should be extended for five year because it will help you how you are educate. The school for five year will help you a lot when you are doing something. The school for five year could help you in most everything that you are doing. I think that if you go to school for five years you could learn a lot of skills. School could help you out of most anything that you want to do in this world. School could teach you how to be educator. By going to school is a good thing because if you go to school it could help have experience in everything that you are doing. To have experience you to do that thing you do best and how well you do at it. I think that school could teach you how to have experience in everything you are doing. I know that to go to school you have to choice to go to school because nobody can make you go to school.. I now that school are not for everyone but I think that every children should go to school because if you don't go to school you will not be educate. I know that when you have an education it is a good thing. School s a place where you could learn a lot of different that you don't know. I know that I learn a lot of thing I didn't know but I know them. By going to school you make new friends, and you see a lot of different people like people that is not from the United States. At school you do class work and do all type of assignment your teacher told you to do. I believe that every students should want to be educator because you need education in this world. School shouldn't be a place where students fights. I think that every students should like going to school.
